

Legacy REWRITTEN IS

CHOOSING A LIFE THAT MATTERS

Legacy is a gift, handed down from one generation to the next. It's what lives on after us, allowing us to have influence for God after our lives here on Earth. Legacy is about taking all that has been entrusted to us and making it better for the next generation.

THE FOUR CHALLENGES AT JACOB'S WELL TODAY

A CRISIS OF MEANING & PURPOSE

Our culture has a crisis of meaning today: Why am I here? What really matters?

OUR MINISTRIES MUST ADAPT

Our ministries must be maximized to better serve the changing needs of our people.

A LARGE CAMPUS TO MANAGE

As our 80,000 sq.ft. campus ages we must keep it in great working order.

WE MUST PLAN FOR THE FUTURE

We must build a foundation for future generations and leadership transitions.

TO FACE THESE CHALLENGES, WE NEED 100% ENGAGEMENT

FOUR OPPORTUNITIES FOR RESPONSE:

1 GIVE A CALL TO A LIFE THAT MATTERS

We will challenge every family to reject the myth of ownership, and embrace biblical stewardship as the cornerstone of discipleship. We will study the book of Ecclesiastes and discover the real meaning we can have in life, when we truly make God the owner.

2 MAXIMIZE OUR CURRENT MINISTRIES

Our pastors, staff and volunteers will work to update, improve and maximize our existing ministries to meet the changing needs of our growing church. This will include strategies to engage and reach our younger "20-something" adults.

3 MANAGE OUR LARGE CAMPUS

We will develop a comprehensive equipment replacement schedule. We will then start a capital replacement fund and contribute to it each year from our operations budget.

4 STRENGTHEN THE FOUNDATION OF OUR CORE MISSION

The mission and vision of our church has not changed: *We will continue to meet people wherever they are on their spiritual journey and help them take steps to know and become more like Jesus.* However, it is wise and responsible stewardship to be prepared for the difficult times that will likely come. In order to prepare for expansion and future leadership transitions in the next 5-10 years we will deepen our emergency fund and further reduce our debt.

"Remember your Creator in the days of your youth."

100% ENGAGEMENT MAKES OUR PLAN A REALITY

Legacy is the key to meaning. As we fully engage together and embrace these challenges and responsibilities God has given us, we will find new energy, focus and enthusiasm to see our plan through to completion. It will happen when we are fully united and invested in something bigger than ourselves.
